

## Youth Engagement in the Newcastle Planning Process

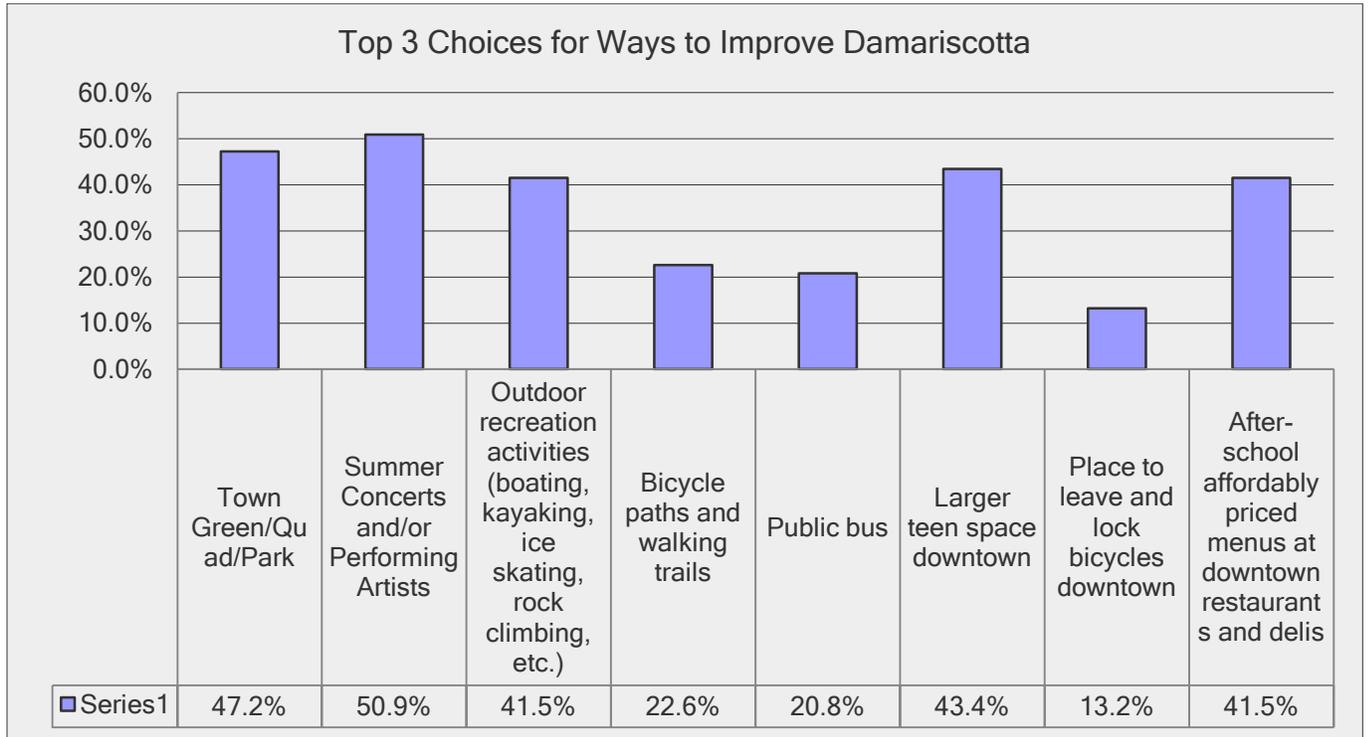

In 2009-2010, 368 students of Lincoln Academy were surveyed to assess their opinions about downtown Damariscotta and Newcastle and what they think would make these areas a better place from their perspective.

The results below are for NEWCASTLE STUDENTS ONLY.

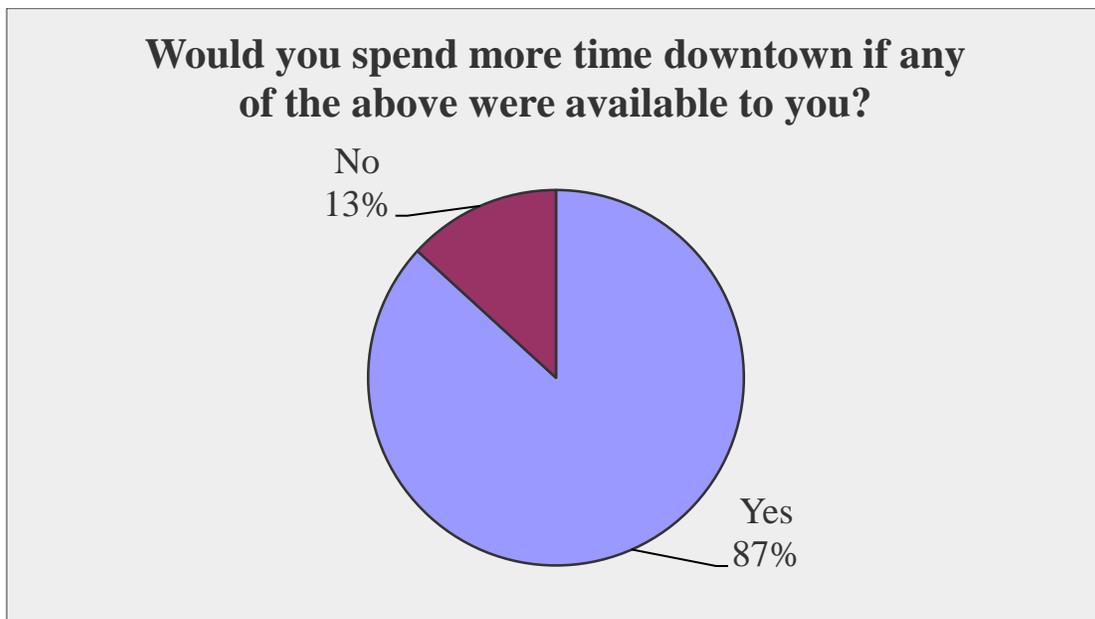

### 1. Do you go downtown on a regular basis? (54 Newcastle students)

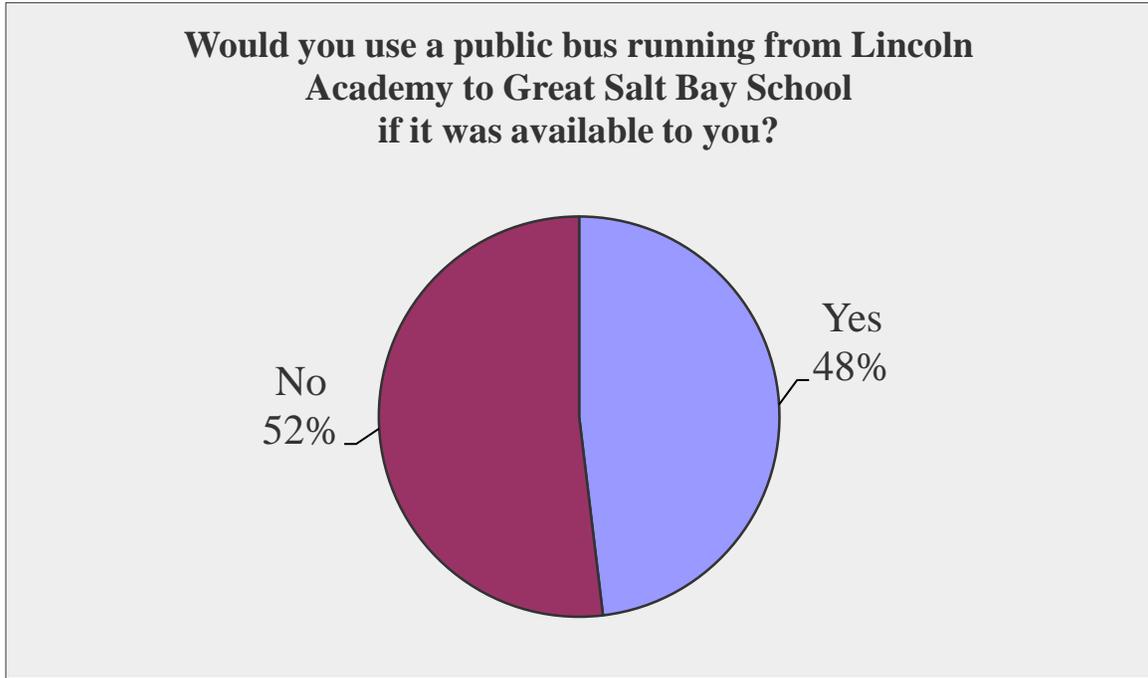

**2. What are your top three choices for ways to improve Damariscotta? (53 Newcastle students)**

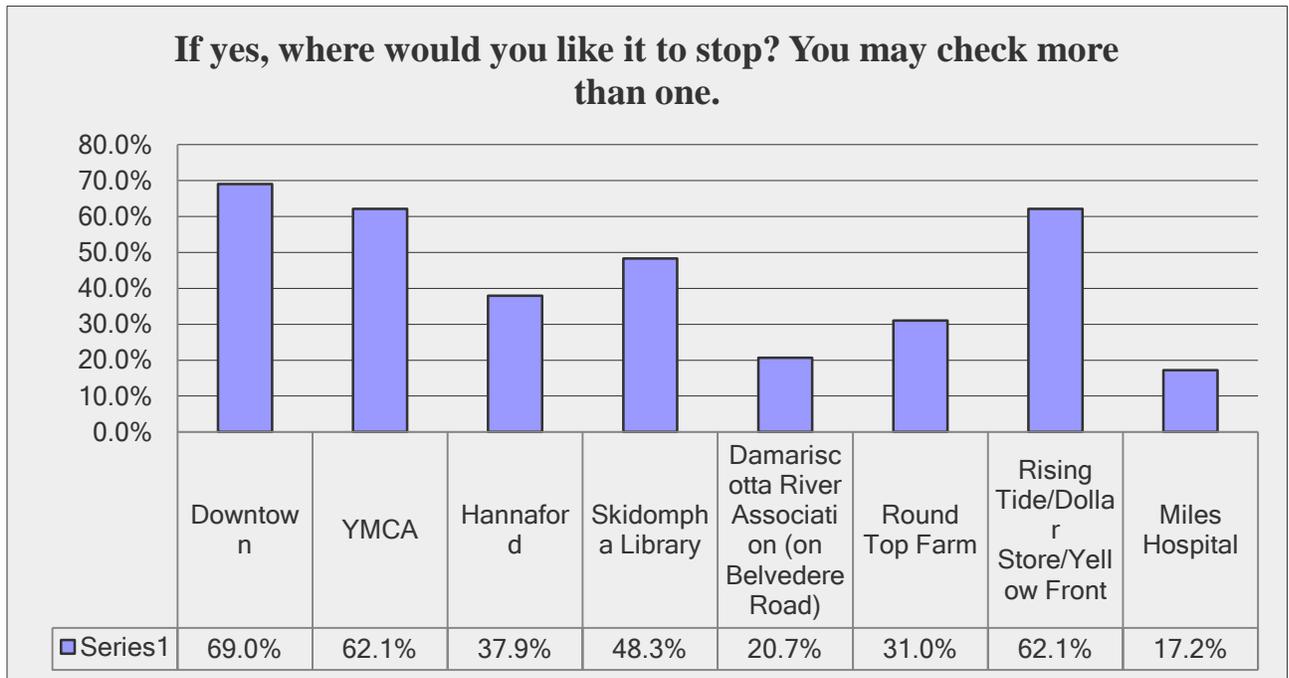

**3. Would you spend more time downtown if any of the above were made available to you? (53 students)**

4. Would you use a public bus running from Lincoln Academy to Great Salt Bay School if it was available to you? (54 Students)

5. If yes, where would you like it to stop? (29 Newcastle Students)

6. Would you be interested in participating regularly in any of the following government boards and committees? (6 Newcastle students)
